| Country Ways Canoe Paddle Making Instructions | Instructions from a paddle making kit. |
| Graham - Trimline 19 ft Rowing Shell, Piantidosi Oars, and Yakama Car Rack Carriers - Used | The 1988 Trimline rowing shell is ideal for the beginner or veteran oarsman. Built strong, safe and stable, yet with the lightness for easy car-topping. Closed water-tight cockpit. Float bags. Fin keel. Self-bailer. Decked. Integral fixed rigging. Length: 19'. Depth: 8". Beam: 27". Weight (rigged): 49 lbs. E-Z Rigger Drop-In rowing unit (complete with oarlocks, sliding seat and foot stretcher). Excellent condition. Piantidosi oars. Yakama car rack carriers. Usage: Bought in 1988. Used maybe 15 times or less. Stored in semi-heated garage in Minneapolis. Rowing shell with the rigging and oars were suspended in the air from a pulley system for safe storage. |
| Green Ricing Canoe | Shaped with high bow and stern like a traditional birch bark canoe. Great canoe for any Boundary Waters adventure. |
| Johnson Boat Works C-Scow | Built by Johnson Boat Works mid-1960's White Bear Lake, MN. Sailed at Lake Calhoun, Minneapolis, by Henry Stroeve, deceased, who moved to Seattle in 1979. He gave it to his sister-in-law and brother-in-law who moved near Lake Harriet in 1982. Tom and Linda Brandt had a buoy on Lake Harriet from 1984- |
