III. LODGING

In an effort to assist with low cost lodging options, we've put on our travel agency hat and arranged some special deals with area lodging establishments that will need to be booked through us. Feel free, of course, to manage it yourself as well.

I will take care of my own lodging

☐

Please help me find free/discounted lodging. Current options range from guest bedrooms at the homes of friends of NH to some local lodging establishments with reduced rates of approx ~\$30/night. If free lodging is essential to your participation, please make sure we know that. Once we receive your registration, I'll give you a call or email and let you know what options I have available.

IV. CARPOOLING

Meals provided by NH:

- Friday dinner: provided by North House
- Saturday lunch: We'll make a big pot of soup, everything else will be potluck-style to share

Try-It sessions!

On Saturday afternoon, we'll host several 3-4 hour workshops. This is your chance to experience being a beginner student at something entirely new. Options and sign-ups to come when we have a good sense of who is all coming to the Retreat. Stay tuned!

Saturday Night

Everyone is invited to take part: please bring a jump drive with photos or a few slides or samples of whatever you've been exploring to share with the group, about 5-10 minutes of material. We'll organize the flow of the evening that day.

You can either print, fill out and mail or scan this form OR email your answers to the questions OR give me a call. Thanks!
