

COOK COUNTY LOCAL ENERGY PROJECT

Free: Energy Efficiency Workshop For Cook County Homeowners

**Tuesday, April 12, 7-8:30 pm
at North House Folk School**

Workshop: Saving Energy in the Home; presented by the Duluth Energy Efficiency Program (DEEP), a regional program which helps homeowners save money, conserve energy, and lessen their impact on the environment.

Systematic and sensible steps for whole-house energy efficiency, including air sealing, insulation, heating, appliances, lighting, safety, and more. Plus resources for financial assistance for home energy improvements.
