

## **\*\*Confirm for the Spring/Summer Catalog\*\***

At this point, I have touched base with many of you about your schedules for the 2012 season. If we haven't connected and you'd like to schedule for the 2012 season, please contact Jessa at [jfrost@northhouse.org](mailto:jfrost@northhouse.org) or 218.387.9762.

There is still time to adjust and add before the catalog goes to print, but I need to hear from you by **February 15** to get everything in place. We are adding classes to the website daily ([www.northhouse.org](http://www.northhouse.org)); PLEASE take a look and make sure that the dates and other details match your records.

I will be sending your course profiles and educational agreements via email or mail if you haven't already received them. Be sure to check out the new early bird rates and let me know if you'd like to make any changes to them.
